

Card Readers

RDE3

Transcend microSD Express Card Reader RDE3 features a USB 3.2 Gen 2 interface with up to 10Gbps bandwidth, delivering real-world read speeds of up to 900MB/s to fully unlock the performance of microSD Express cards. It also maintains backward compatibility with UHS-I cards, supporting both next-generation and existing devices. Built with a durable structure and refined exterior craftsmanship, the RDE3 provides dependable protection for stable, high-speed data transfers.

Next-Level Performance

Built for the next generation of microSD Express cards, the RDE3 card reader features a USB 3.2 Gen 2 interface with transfer speeds up to 10Gbps. With read speeds of up to 900MB/s, the RDE3 handles massive game files with ease—keeping your work and play running smoothly without delays.

Seamless Compatibility

The reader supports microSD Express and is backward-compatible with UHS-I cards. Whether you're using older cards or the latest formats, one reader is all you need. No more juggling multiple devices—just plug in and go.

Connections Made Simple

Equipped with a USB-C port and bundled with a USB-C cable, the RDE3 connects effortlessly to laptops, desktops, tablets, and more. No adapters, no hassle—just high-speed transfers across all your devices.

Features

- Supports devices with USB Type-C port
- Slim and portable design
- Supports microSD Express and UHS-I microSD cards

RecoveRx

RecoveRx is a data recovery software for memory cards, USB flash drives, external hard drives and SSDs.

Specifications

Appearance

Dimensions	73 mm x 50.6 mm x 11.8 mm (2.87" x 2.0" x 0.46")
Weight	64 g (2.26 oz)
Color	Gray

Interface

USB Type	USB Type-C
Connection Interface	USB 10Gbps

Hardware

Card Reader Slot(s)	microSD Express

Operating Environment

Operating Temperature	0°C (32°F) ~ 70°C (158°F)
Operating Voltage	5V

Performance

Note	Speed may vary due to host hardware, software, usage, and storage capacity.

Warranty

Certificate	CE / UKCA / FCC / EAC / RCM
Warranty	Two-year Limited Warranty

System Requirement

Operating System	Microsoft Windows 7 or later macOS 10.2.8 or later Linux Kernel 2.6.30 or later

Compatibility

Memory Card Supported	microSDXC (UHS-I) / microSDHC (UHS-I) / microSD Express

Ordering Information

0MB	TS-RDE3
