

Portable Hard Drives StoreJet 25H3

Transcend's StoreJet 25H3 ruggedized portable hard drive combines supreme shock-resistant qualities with the USB 3.1 Gen 1 interface, allowing for ultra-fast file transfers and the highest level of anti-shock protection. With up to 4TB storage capacity, the StoreJet 25H3 eliminates all fears of running out of storage.

Rugged and portable

The StoreJet 25H3 portable hard drive was designed with high endurance in mind. The ruggedized case and the anti-slip texture allow you to store and share wherever you go. Two color options, navy blue and purple, make for a stylish, trendy storage experience!

Excellent anti-shock protection

The StoreJet 25H3 features a three-stage shock protection system that has passed MIL-STD-810G US military transit drop test to fully protect data stored on the drive. The three-stage shock protection system includes a silicone rubber case, an internal shock-absorbing suspension damper, and a reinforced hard casing.

USB Type-A supported. Durable and reliable.

The StoreJet 25H3 portable hard drive utilizes a USB Type-A connector that has undergone 10K plug-unplug tests. High durability means extra protection for your files.

Portable Hard Drives StoreJet 25H3
